

# Tired of Packing Lunches?!

*Then come to the next PTA meeting!*

If you are tired of making lunches but have concerns about the quality of the *school* lunch, come to the **November 17th PTA meeting at 6:30 pm** and find out what's going on with the new OUSD School Lunch Program.

Jennifer Le Barre, OUSD's Nutrition Specialist, will be here to talk about the new Central Kitchen, the food it will be serving, its building progress and when our kids will be the happy recipients of this yummy and nutritious food.

The meeting will be held in the library. Child care and dinner for children are always provided at PTA meetings.
