

Considering Claremont?

Then come to the next PTA meeting!

School has started and for fifth grade parents that means starting to think about where your child will go to middle school next year. Parents with younger kids know this question is not far away.

On Thursday, October 22nd Claremont Middle School Principal Jonathan Mayer will present at the Chabot Elementary PTA meeting and share the latest information about curricula, staffing, student achievement and more.

This special meeting will begin at 5:45 p.m. in the Library. Mr. Mayer will speak for the first 45 minutes of the meeting.

Child care and dinner for children are always provided at PTA meetings.
